

## Forum Educates on Employment Law Changes

The Greater Los Angeles Chapter of the Association of Legal Administrators held its annual Employment Law Forum on Jan. 22, attracting over 250 members of the city's legal community. Richard Simmons of Sheppard Mullin opened the event with an update on 2011 employment laws, and sessions throughout the day covered topics ranging from social media in employment law to avoiding employment litigation. Over 40 business partners set up temporary shop to show off legal services, products, and exhibits.
